

## NorLense AS announces warranty coverage changes.

NorLense AS today announced warranty coverage changes, from 12 to 24 months

The company's guarantee on Oil Spill Emergency Equipment and Shelter Solutions will increase from 12 to 24 months from 01.03.2020

NorLense has been providing quality products for 45 years. The high quality of our products allows us to offer our customers this extra security. This increase shows the tremendous quality of the products NorLense delivers and will make our customers even more confident that NorLense products will provide an economical and right choice for the future.

NorLense is ISO 9001 and ISO 14001 certified

*(ISO 9001 is the international standard for a quality management system. ISO 14001 is the international standard that specifies requirements for an effective environmental management system (EMS))*

Best regards
